

JumpStart® Blast-Off: Early Reading

FACT SHEET

GAME DESCRIPTION

JumpStart® Blast-Off: Early Reading is a fun-fueled, fast paced way to practice early word recognition and reading skills! Your child begins the game by selecting a specific lesson, curriculum level and game level. Once they have those selected, they set off on their jetpacks to search for correct answer and zap away incorrect ones. Also, they need to keep an eye out for those pesky Punk-Punks — they will get in the way and need to be blasted, or your child will lose a jetpack!

Your child has 19 different lessons to choose from, ranging in topics such as beginning phonics, word recognition, early grammar and word pronunciation. The key educational concepts and fun gameplay in this app make for a truly engaging, one-of-a-kind learning experience your child will never put down!

KEY FEATURES

- **Key beginning phonics and early reading lessons**
This game has a special emphasis on early phonics skills with essential concepts such as word recognition, grammar classification, syllable segmenting and more! There are 19 different lessons to choose from.
- **Progressive levels of game play to master**
Challenge your child with many progressive levels of gameplay. See if they can beat their best score as the game gets harder!
- **Amazing 3D graphics and catchy music to enjoy**
Your child can explore the mysterious caverns of *JumpStart® Blast-Off: Early Reading* by controlling their jetpack through 3D space. Also, they can listen along to some fun tunes as they go!
- **Customizable “Tilt” and “Joystick” controls**
Your child gets to decide how they want to control their jetpack! Select between two child-friendly control modes to play this fast-paced game.
